Intensive Care Forum 2015

24 – 26 April, Suntec Singapore

*Intensive Care Pearls
from East and West*

The clinical ICU meeting of the Asia-Pacific region is back. Confirmed speakers for 2015 include Gordon Rubinfeld, Daniel De Backer, Rinaldo Bellomo, Geoff Shaw, Moritoki Egi, Rashan Haniffa, Chairat Permpikul and many others.

Together with their Australian, Singapore and Asian counterparts, SG-ANZICS 2015 promises to be a compelling platform for all intensive care healthcare professionals, research scientists, academics and industry experts to share ideas and strategies on shaping our regional intensive care ecosystems – in the areas of innovation, education and research.
