

ABSTRACT SUBMISSION

The abstract submission for SG-ANZICS 2017 opens on 30 June 2016. Seize an opportunity to share your research, knowledge and experience with your colleagues and the distinguished experts from around the world who will gather in Singapore to advance the practice and future of intensive care medicine.

Abstracts can be submitted under following categories:

- Acute Respiratory Distress Syndrome and Respiratory Support
- Allied Health and Nursing
- Critical Care Imaging
- Critical Care Organisation
- Critical Care Nutrition
- Critical Care Rehabilitation
- Education and Simulation
- General Issues in Intensive Care
- Hemodynamic Monitoring and Optimisation
- Intensive Care Liaison and Outreach
- Neurologic Critical Care
- Obstetric Critical Care
- Palliative and End-of-Life Care
- Pediatric Critical Care
- Renal Failure and Support
- Sepsis and Severe Infections
- Surgical Intensive Care and Trauma

Submit your abstract and get the recognition you deserve for your ground-breaking work.

WELCOME MESSAGE FROM CONVENOR – SICM

Dear Colleagues and Friends,

The 4th Annual SG-ANZICS Intensive Care Forum will be held from 20-24 April 2017 at the Suntec Singapore Convention & Exhibition Centre.

Organised by the Society of Intensive Care Medicine (Singapore) and the Australian and New Zealand Intensive Care Society (ANZICS), the 2015 Forum drew 750 delegates. The turnout in 2017 is expected to be even more impressive as we commit to advancing the SG-ANZICS name and reputation, and to increasing international participation in what has become Asia Pacific's premier clinical ICU conference.

Toward this goal, the Forum will offer a comprehensive programme of plenary lectures, breakfast and lunch symposia, pre-conference workshops, poster presentations and exhibitions from leading suppliers.

A social programme that includes the highly anticipated SG-ANZICS Conference Dinner will allow participants to catch up with friends and colleagues, meet the experts in attendance, and enjoy the fabulous fusion of flavours and cultures that Singapore has to offer.

Mark your calendar and we look forward to welcoming you in Singapore.

Dr. Alvin Ng
Chairman, Organising Committee of the 4th SG-ANZICS Intensive Care Forum

WELCOME MESSAGE FROM CONVENOR – ANZICS

Dear Colleagues & Friends,

I am delighted to welcome you back to Singapore for the 4th SG-ANZICS Intensive Care Forum, Asia Pacific's pre-eminent clinical ICU meeting representing the combined efforts of the Society of Intensive Care Medicine (Singapore) and the Australia and New Zealand Intensive Care Society (ANZICS).

With its academically-rich scientific programme, hands-on pre-conference workshops, and the extraordinary line-up of international speakers that will be sharing their knowledge and experience with us over the three-day event, SG-ANZICS 2017 will keep all participants on the leading edge of their field.

I look forward to meeting all of you personally – and to all of us gathering together – throughout the conference and at the various social events we have planned for the occasion, most notably the traditional Conference Dinner, which offers a wonderful opportunity to network and mingle with speakers, colleagues and friends.

Dr. Danielle Austin
Convenor – ANZICS
